Dear Gabriela [REDACTED],

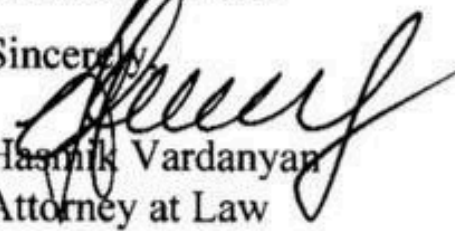

We are delighted to extend our warmest congratulations to you on achieving your F1 student visa and being able to return to college. We know that this has been a long-awaited dream of yours, and we are thrilled to see you finally achieve it.

The F-1 Visa (Academic Student) that you have obtained will allow you to stay the United States as a full-time student at an accredited college, university, seminary, conservatory, academic high school, elementary school, or other academic institution or in a language training program.

It is a great opportunity for you to pursue your academic goals and further your education in the United States. As you may already know, in order to obtain an F-1 visa, you must be enrolled in a program or course of study that culminates in a degree, diploma, or certificate, and your school must be authorized by the U.S. government to accept international students.

We are confident that you have fulfilled all the necessary requirements, and we wish you every success in your academic pursuits. We would like to inform you that your case with our office is now closed, and we have included all the necessary documents for your records. Please consult with attorney before travelling internationally. If you have any further questions or concerns, please do not hesitate to reach out to us. Once again, congratulations on your achievement, and we wish you all the best in your future endeavors.

Sincerely,

  
Hasmik Vardanyan
